

Federal-Mogul Spark plug

FB78WPN

(formerly 18 GZ 44)

The advanced
NOx problem solving
for MAN engines

Ideally suited for use in MAN engines, series E28xx with 18 mm spark plug thread

- Extremely long service life
- Reduced exhaust gas temperatures
- Proven reduction in NOx emissions

Technical Data

4 prong electrodes, Iridium-armored

Elektrode gap: 0,35 mm

Thread: M18 × 1,5 mm

Wrench size: 20,8 mm

Tightening torque: 50 – 60 Nm
